

Built to last

Essential Productivity

Full-sized, the keyboard comes with a number pad and dedicated multimedia keys for convenient number input and multimedia controls. The 1000 DPI mouse with scroll wheel allows you to navigate with ease.

Built to last

The keyboard and mouse combo offers one of industry's leading battery lives lasting for 36 months¹ for keyboard and 18 months¹ for mouse, giving you absolute peace of mind.

Thoughtfully designed

The keyboard is spill resistant and can withstand accidental splashes and spills. It's anti-fading keys ensure that the letters and numbers on your keyboard remain intact over time. The tilt legs on your keyboard give you the flexibility to adjust to your most comfortable typing position.

¹ Based on Dell analysis of battery life usage model calculations, Oct. 2021. Results vary depending on use, operating conditions, and other factors.

The confidence to work anywhere

The wireless keyboard and mouse combo connects easily to your Dell PC. Enhance your workday experience with long-lasting battery life as well as spill-resistant keyboard with anti-fade keys.

Tested and certified to work seamlessly with Dell systems

Easy to use with either hand

128-bit AES (Advanced Encryption Standard)

encryption on keyboard helps protect your data transmission across your PCs and devices, providing you with a secure connection while typing.

Advanced Exchange Service

gets you a replacement combo shipped the next business day should your existing one become faulty within the 3-year warranty period.¹
